At the time of the monitoring visit, Loving Life Group Home was providing services to eight Los Angeles County Probation children. Loving Life Group Home is located in the Second District.

Additionally, the review covered basic child safety and licensing issues, and included an evaluation of the Agency's Program Statement, internal policies and procedures, child case records, facility inspections, and interviews with two children placed in the Group Home at the time of the review. Interviews with the residents were designed to obtain their perspectives on the program services provided by the Agency, and to ensure adherence to the Foster Youth Bill of Rights.
